

Spray Mop Kit

PRODUCT FEATURES

- Complete cleaning kit for gentle wet cleaning of wooden floors.
- Suitable for both oiled and lacquered floors.
- Convenient and ergonomic use with trigger controlled cleaner application.
- Works well on all washable surfaces such as PVC, laminate, linoleum, vinyl, other painted/lacquered surfaces, stone, laminate, tiles, glass, porcelain etc.
- Box contains replaceable Cleaner Spray tank, high end micro fiber mop with holder plate and an ergonomic pole.
- All consumables can be purchased separately in a refill package.
- The material of the micro fiber mop is especially designed for wooden floors and it is not abrasive.

CLEANING OF ALL KINDS OF FLOORS

Before using Spray Mop remove all loose particles which might scratch the surface by vacuuming or dry sweeping the floor. The Cleaner sprayed directly onto the floor and dispersed using the micro fiber mop. Flush and squeeze the mop in clear water regularly. Rinsing after cleaning is not necessary.

MAINTENANCE OF LACQUERED FLOORS

To keep the lacquered floor in perfect condition and prevent it from wear effects it should be maintained with Refresher after every fifth time using Spray Cleaner. Floors which previously have been treated with polish or wax have to be deep cleaned before using Refresher.

MAINTENANCE OF OILED FLOORS

To keep the oiled floor in perfect condition and prevent it from wear effects it should be treated with Satin Oil Maintenance when the appearance turns a little grey. Floors which are treated with natural oil (1 component oil like Millic Comfort) can be cleaned and maintained at the same time using the Oil Refresher floor soap.

HEALTH AND ENVIRONMENT

Arboritec Cleaner is not classified as hazardous to your health or the environment. Precautions common for handling any chemical products should be taken. For further information, please refer to the Material safety data sheet.

TECHNICAL DATA

Contents, Spray Mop Kit: Cleaner Spray Tank, ready to use, high end micro fiber mop with holder plate and an ergonomic pole.
